OUR MISSION

The Bloomsburg Area YMCA is a cause-driven, non-profit, charitable organization committed to enrich all segments of the community in spirit, mind and body. The Bloomsburg Area YMCA promotes participation by all individuals regardless of religion, race, culture, income, age, ability or gender. Our facilities, programming and activities focus on developing self-confidence, leadership and ethics in our youth, promote healthy lifestyle principles and the prevention of chronic diseases, and are socially responsible for building a better community by fostering a greater appreciation for human and cultural diversity.

The YMCA is committed to serving families and developing the whole child through spirit-mind-body. Our Y-Care program acts as an extension of each family by providing support to both children and families during program hours. Y-Care provides quality programs for children in healthy, caring and safe environments.

Program Activities

Y-Care focuses on an educational child care program where our trained staff will help with homework, tutor any children struggling in a particular subject area, demonstrate positive mentoring/role modeling and character development along with the usual fun physical activities, crafts, and snack time.

Staff

We are concerned about each child and strive to provide safe and fun experiences for all. We encourage children to participate, develop ideas, and most of all, have fun! Our staff are certified in CPR/First Aid, fire safety, child abuse prevention and reporting, and emergency action plans. All staff have criminal background checks, child abuse clearances, and FBI fingerprinting clearances. Our trained staff are experienced in working with children and look forward to playing a key role in your child's educational program.
