Activities to be encouraged or restricted:	

Conduct Policy

It is the intent of the Bloomsburg Area YMCA that each camper enjoys the activities planned by understanding that he/she is responsible for his/her actions. With prior knowledge of our basic rules of safety and good conduct, each child is made aware of how to exercise self-discipline, and that the YMCA is here to help campers and to know that we want him/her to succeed. As in any group activity, the inappropriate behavior of a few children can spoil the experience for the entire group. Therefore, the following conduct policies apply directly to each child and will be used in determining his/her eligibility to continue as a participant in the YMCA Day Camp Program. In accordance with the severity of the infraction and the number of times the infraction occurs, a child may (A) be suspended or (B) be terminated from the program for:

- 1. Repeatedly using foul language and/or being rude and discourteous to staff and/or peers.
- 2. Defacing YMCA property.
- 3. Bringing or using illegal substances: alcohol, drugs, weapons (as deemed by staff of the YMCA) or unsafe personal sports equipment.
- 4. Stealing or defacing the property of others.
- 5. Refusing to remain with his/her group, intentionally and repeatedly leaving his/her group activity.
- 6. Inappropriate physical contact: repeated hitting, biting, other physical altercations.
- 7. Intentionally or repeatedly going to unauthorized areas of the facility or leaving the premises without permission will result in the following actions: a search of the premises will be conducted; if the camper is not found the police and parent/guardian will be notified and the child will not be allowed to return to camp. No refund will be given.

If a camper has proven that he/she is unwilling to follow these policies, the parent/guardian will be notified and must meet the Director of Youth Development in order to discuss the situation. The Director will consider a possible suspension or termination. NO REFUNDS will be given. It is our daily desire that every camper enjoys his/her YMCA experience. It is for this reason that we have initiated polices we feel are fair, easily complied with, and are of benefit to everyone involved.

Individualized Education Plans (IEP) & Individualized Family Service Plans (IFSP) Information Sheet

Because of the diverse set of needs of the children in our program, it is important to gather as much information about the best ways to educate each child. IEP's and IFSP's are created by service providers working with children with special needs and include this information. The Keystone STARS Performance Standards therefore require each early learning provider to request copies of IEP's and IFSP's for the children in their care. Because of the importance of the IEP/IFSP to a child's learning, the program should have a copy before the child begins to attend, if possible.

The information found on an IEP/IFSP is protected by privacy laws including the Health Insurance Portability and Accountability Act (HIPAA).

Your child's growth and development is measured with developmental assessments. You do not have to provide this information if you do not wish to do so.
