2024 ANNUAL CAMPAIGN**

**FOR YOUTH DEVELOPMENT®
FOR HEALTHY LIVING
FOR SOCIAL RESPONSIBILITY**

A message from our Campaign Chair & CEO

A strong community is a connected community, and the Y is dedicated to facilitating connections between people, places and services to address our area's most pressing social issues.

From increasing food security by providing free meals in our childcare programs and closing educational opportunity gaps with our summer learning loss program to combatting loneliness and social isolation, the Y understands the core of a strong, diverse, vibrant, equitable and inclusive community comes from everyone's desire to connect, belong, to help others and to contribute to our community.

The Annual Campaign gives us the capacity to connect, support and serve more than 7,000 children, teens, families, adults and seniors each year with programs and services that make our community stronger.

At the Y, we're here for all and here for good. Our commitment to help everyone grow in spirit, mind and body is only possible with the support of our donors and volunteers. Contributions received from our annual campaign allow us to provide scholarships to individuals and families in need of vital Y programs and services.

We are the most diverse nonprofit organization dedicated to strengthening our community. With your support, we can make sure that everyone who needs the Y has the opportunity to learn, grow and thrive. Together, we have a meaningful and lasting impact on our community, one person at a time.

In the past year, the Bloomsburg Area YMCA has provided over \$30,000 to more than 100 families and individuals, right here in our own community. Because of people like you, we were able to provide opportunities that improve our community's health and well-being, activities that bring families closer together and programs that empower young people to find success. Your generous support keeps the Y available for those who need us most.

We hope that you can support our continued efforts to help make our community better and stronger.

The Y. For a better us.
