HERE FOR KIDS

"I love the group exercise classes! I look forward to coming to class. If I didn't have class, I would be sitting at home. When I am not there, I can tell the difference."

— Gale W, Bloomsburg YMCA Member

HERE FOR HEALTH

"I am really thankful for all the help I got from the Community Resource Hub. Emily helped me get a couch for my new apartment, and it made a big difference. The Community Resource Hub gave me the help I needed to feel better and more sure of myself. Emily also helped me with food, clothing, and pet care resources. She even helped me with free tax help, which made taxes much less stressful. I'm so grateful for all the kindness and support from the YMCA and the Community Resource Hub!"

— BAY CRH Client

HERE FOR GOOD

Bruce has been participating in the Adaptive Recreation Program at the Bloomsburg Area YMCA for two years. This program has created a community where free play is supported and encouraged. Bruce is thriving in this setting and is always ready to go to 'playgroup.' Bruce has gone from the boy that wanted his mom by his side to the boy that waves to the ladies on his way to his favorite activity. I love seeing him interact with the staff and other kids. His social and physical skills growing is a bonus."
