

BLOOMSBURG AREA YMCA FULL DAY EARLY LEARNING CENTER FOR AGES 2-5

ABOUT OUR PROGRAM

Looking for dependable, affordable, year-round child care? The Bloomsburg Area YMCA has you covered! Starting August 25th, the BAY Early Learning Center is opening its doors to children ages 2 to 5 — and yes, no need to be potty trained!

At BAY ELC, we're more than just child care — we're early learning. Our licensed, Keystone STARS 2 facility offers a safe, educational space where little ones grow, explore, and thrive. From story time to free play, breakfast to nap time, every day is designed to support your child's development.

Our trained and certified staff meet strict safety standards, so you can feel confident knowing your child is in good hands.

Spots are limited — enroll today at the Bloomsburg Area YMCA (30 E 7th Street)!
